Seller agrees that any data such as drawings, instructions or information furnished to F3 in connection with this Contract shall be free from confidential, proprietary or restrictive use markings, other than statutory patent/copyright, U.S. Government security notices or properly applied restrictive legends permitted by appropriate FAR or DFARS clauses incorporated herein. B. In the event that Seller is unable to secure such right of use for F3, its end users and customers, or to secure an equivalent item as a substitute, Seller will indemnify F3, its customers and end users for any and all losses or damages sustained by reason of such injunction.

19. DISPUTES (GENERAL)

A. Pending the final resolution of any disputes involving this Contract, Seller agrees to proceed with performance of this Contract, including the delivery of goods, in accordance with F3's instructions. Seller shall submit to F3's authorized Purchasing Representative, a written demand for F3's final decision regarding the disposition of any disputes between the parties relating to this contract, unless F3, on its own initiative, has already rendered such a final decision. Any F3 final decision shall be expressly identified as such, shall be in writing, and shall be signed by F3's authorized Purchasing Representative, except that F3's failure to render a final decision within ninety (90) calendar days after receipt of Seller's demand shall be deemed a final decision adverse to Seller's contentions.

B. F3's final decision shall be conclusive and binding regarding this dispute unless Seller commences an action to contest such decision within ninety (90) days following the date of the final decision or within one (1) year following the accrual of the cause of the action, whichever is later.

C. Seller shall cooperate fully with F3 in seeking a resolution of any dispute involving this Contract under the dispute procedure set forth in any applicable Government prime or higher-tier contract. If F3 elects to follow such procedures, Seller shall be bound by the final outcome of the dispute procedures if:

(1) F3 has afforded Seller an opportunity to participate in F3's conduct of the dispute; or

(2) F3, having decided to discontinue its own processing of the dispute has afforded Seller an opportunity to take over such processing completely; provided, however, that Seller agrees to inform and notify F3 as to status and outcome of the dispute proceeding.

D. F3 and Seller shall each bear its own costs of processing any dispute hereunder.

E. Procurement outside of the United States

20. RIGHTS AND REMEDIES

The rights and remedies of F3 herein are cumulative and are in addition to any other rights or remedies that F3 may have at law or in equity.

21. WAIVER AND SEVERABILITY

Any action or interaction by F3 or the failure of F3, on any occasion, to enforce any right or provision of this Contract shall not be construed to be a waiver by F3 of its rights hereunder, and shall not prevent F3 from enforcing such provision or right on any future occasion. A determination that any portion of this Contract is unenforceable or invalid shall not affect the enforceability or validity of any of the remaining portions of this Contract.

22. ORDER OR PRECEDENCE

A. In the event of any inconsistency between or among the provisions, articles, attachments, or specifications which constitute this Contract, the following order of precedence shall apply:

- (1) all Special Provisions, including any attachments referenced or incorporated by those Special Provisions;
- (2) the General Provisions contained in these F3 General Provisions;
- (3) the specifications; and
- (4) all other attachments incorporated herein by reference.

B. F3's specifications shall prevail over any subsidiary documents referenced therein. Seller shall not use any specification in lieu of those contained in this Contract without written consent of F3's Purchasing Representative.

23. COMPLIANCE WITH STATUTES AND REGULATIONS

A GENERAL: In the performance of this Contract, Seller shall comply with all applicable statutes and governmental rules, regulations and orders. Seller shall indemnify, hold harmless and defend F3 from and against all losses, costs, fees and damages arising directly or indirectly for any actual or alleged failure by Seller to comply with such statutes, rules, regulations and orders. For purposes of this clause, definitions of the terms "subcontractor," "subcontract" and "person" shall be deemed to be those set forth in Section 2 of said Act.

(3) Any report made pursuant to this clause shall be made to the Director of Materials at Form Fit and Function LLC, 71 East 26th Street, Paterson NJ 07514.

C. Industrial Laws

(1) Seller's relationship to F3 in the performance of this Contract is that of an independent contractor. Neither Seller nor any of the persons furnishing materials or performing work or services which are required by this Contract are employees of F3. 25. AUDIT AND INSPECTION OF RECORDS

Seller shall keep adequate records of payable hours of direct labor and all costs of the performance of this Contract, which records shall be subject to audit by F3 and if applicable, its Government customer(s) in the event of termination, other equitable adjustment or with respect to any Contract for which the Seller submits progress billings or for which Seller's price is based on time and cost of materials.

26. F3 FURNISHED TOOLS, MATERIALS AND DATA

A. All design, tools, patterns, drawings, specifications and any other data, information, materials, equipment and the like either:

(1) made or procured by Seller especially for producing the goods covered by this Contract;
or

(2) furnished by F3 to Seller for use in the manufacture of the goods hereunder, shall become or remain F3's property, and Seller shall not use any proprietary data related to such property in the production, manufacture or design of any other articles or materials or for the production or manufacture of quantities larger than those specified herein, without first obtaining F3's written consent thereto.

B. Seller shall maintain a current inventory list and identify all such property and products furnished by F3. Seller shall further be fully responsible for all property upon delivery to Seller until redelivery thereof to F3, and shall promptly, upon the completion of the work, deliver such property and productions there from to F3; or if F3 demands delivery prior to completion of the work, Seller shall deliver such property and products to F3 in accordance with the terms of said demand. E. If this Contract is placed under a U.S. Government prime contract, Seller shall immediately notify F3 in the event that Seller receives a request for information or a solicitation for an offer from the Government which would require the use of the drawing, tooling or technical data described in (D) above for sales to the U.S. Government. Upon such notification, F3 shall advise Seller whether the request for information or solicitation calls for items or concerns a subject in which F3 claims proprietary rights. Seller may use such drawings, data and/or tooling for the expressed purpose of responding to requests for information or selling directly to the Government, to the extent that the Government claims "unlimited rights" or "government purpose license rights" under any applicable prime contract, unless Seller is notified by F3 that it disputes a Government claim to such "unlimited" or "government purpose license rights."

27. OFFSET AND COPRODUCTION

A. To the extent that the goods ordered hereunder are components of F3 products/systems sold to a foreign nation or concern, and in recognition that such sale results directly or indirectly in business opportunities, sales or revenue for the Seller, the Seller agrees to cooperate with F3 in the fulfillment of any offset program obligations that F3 may be required to accept as a condition of such foreign sale. Seller will assume and discharge a proportionate share of said offset obligation(s), either directly or through a mutually agreeable third party.

Seller's obligations shall be discharged in accordance with the ground rules negotiated between F3 and the foreign customer.

The offset commitment set forth herein is a material requirement of the applicable Contract issued by F3 to the Seller, and notwithstanding any other provisions of such Contracts, Seller shall not be relieved of such requirement unless F3 is so relieved by the foreign customer, except insofar as the Seller is otherwise relieved for performance of such Contracts.

B. F3 expressly reserves the right to all industrial benefits and other offset credits arising with respect to any goods ordered hereunder, including any related subcontracts issued by the Seller to sources in the foreign customer's country. F3 also reserves the right to obtain from the Seller all information in such form as may be required to enable F3 to obtain the aforementioned benefits.
